

Father's Day

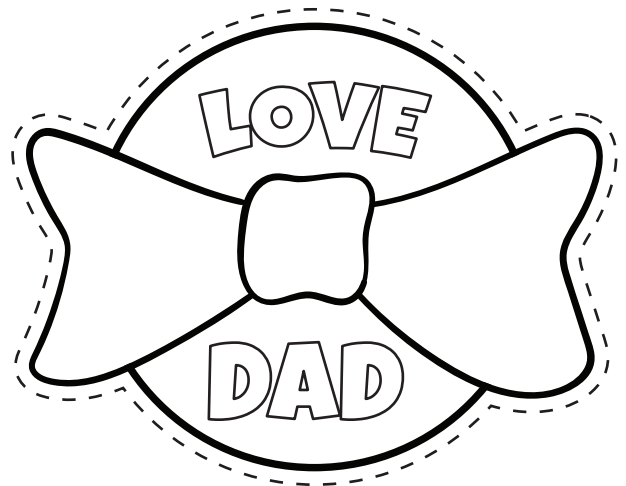

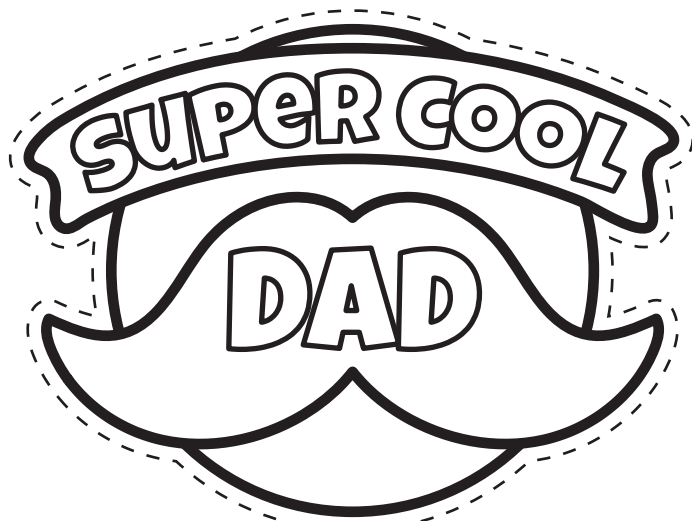

Toolbox Trophy Craft

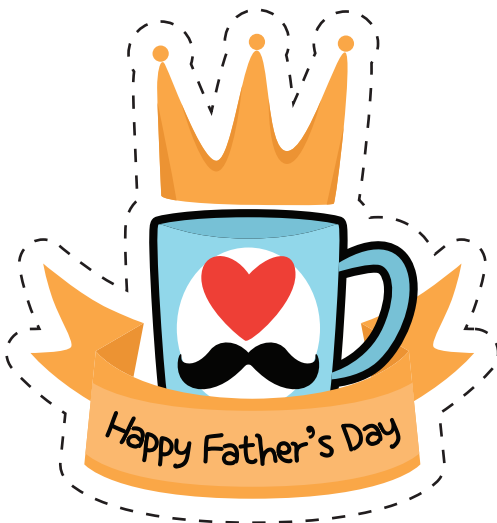

1. Carefully cut out each piece of the toolbox trophy, including the trophy base, handles, tools, and label pieces.
2. Glue the tools at the back of the top part of the toolbox so they look like they're sticking out.
3. Decorate your toolbox based on your own preference.
4. Write your message on the given label box and glue it at the bottom of the trophy.
5. If you used liquid glue, give your craft time to dry before displaying or gifting.
