

VERY IMPORTANT MISSION!

Hello, my dear friends, I've come back to say,
It's almost time for Christmas Day!
But before Santa comes with presents and cheer,
There's something important we must do here.

Look around your room at all of your toys,
The games and the clothes for girls and boys.
Are there some things you no longer use?
Some items that you could give and choose?

Fill up this basket with things you don't need,
Toys, games, and clothes—what a wonderful deed!
We'll give them to kids who don't have very much,
Your kindness and love will mean so, so much.

Before new toys arrive on Christmas morn,
Let's share what we have, so joy can be born.
Give with your heart, appreciate what's here,
And spread Christmas magic and holiday cheer!

Love,
Your Elf
